

# Innerer Kompaß

Alexander Grundner-Culemann

1. Oktober 2010

In der September-Ausgabe der Vogue aus New York wird in einem Artikel von Rebecca Johnson der Justizminister der Vereinigten Staaten Eric Holder zitiert:

The focus should always be on doing the right thing. Even when the right thing isn't so clear. 'The law is not always right,' he acknowledges. [...] 'You have to have an inner compass that tells you the right thing to do. [...] Trust your instincts. If something makes you feel uncomfortable, that's where you need to look.'

Das ist gut formuliert.
